## A MESSAGE FROM OUR PRESIDENT

The rain has finally come. What a great sight and sound over the last week. We have had some good falls of rain on the ovals . They were so badly needed as, after watching a couple of games, it was almost impossible to swallow from the dust. No wonder the canteen has been selling a motza of drinks! Don't forget, if it is raining you have 3 options to check weather the grounds are open or not;

- 1 Website [www.seaforthfc.com](http://www.seaforthfc.com)
- 2 Council Wet Weather Lines 99761699, 99812099 (Condoover Only)
- 3 Information Hotline 99909696

Please remember that the council has every right to rescind our training rights if we are training on Grounds that are CLOSED.

We are still having teams not turn up to Canteen, BBQ, or Nets (In or Out) duty. The Rosters, I'm assured by the Age Coordinators, have been sent to ALL managers. They are also on the Website and our canteen Supervisor Emails ALL teams involved on these Duties on the Thursday to remind them that they are rostered on that particular Saturday. Most teams are only rostered ON once a year, so please check ALL your Rosters.

On to Coaching, and we start another Junior Licence Course Friday night at Seaforth Oval. The Course has been set up by our Coaching Director Sharon Egger and Oscar Gonzales will be the Head Coach. We are finding that these courses are being well attended due to the fact that they are held on 4 consecutive Friday nights rather than 2 weekends, as is the case at other locations. Don't forget that if you have any queries regarding coaching, or wish to borrow from the Coaching Library, just visit the website for Sharon's details and I'm sure she would only be too pleased to assist you. While on Coaching, don't forget our Goalkeeping Coach Vicki Cerney holds Goalkeeping Training every week at Seaforth Oval. If you have a goalkeeper that would like some additional coaching please visit the Website for further details. There is NO cost involved to players.

Please don't forget the Overflow Car Park at Seaforth Oval. I am still seeing people even from this Club parking along the Wakehurst Parkway and walking their children to the Oval when there is still plenty of room in the lower ( Overflow ) Car park. Manly Council did carry out work on this carpark to try and eliminate this problem so please use it.

Our AL1 and reserve grade sides continue to impress with the Firsts sitting in 5th and the Reserves sitting on Top of the table. Both sides are playing well. This week they go up against Pittwater at Kitchener 2 on Saturday 1.00pm / 3pm so get along and support your First Division sides.

Also great to see our Junior sides performing so well, not only the mixed on Saturday, but also the Ladies on Sunday. To those teams that are struggling, keep your heads and spirits up and keep trying hard and I'm sure the results will come.

Don't forget the World Cup is starting soon so make sure that you check the website for All televised games and watch the show piece of World Football and our beloved Socceroos do battle with the Rest of the World.

Until next time good luck to all teams.

Richard Wright

## REGISTRAR'S NEWS

This was my first season as registrar – wow did I learn a lot about what really does happen behind the scenes of a very busy Football Club. Dale and I proved that great team work really does make it all happen with of course the compulsory late nights, early mornings, never ending phone calls and not forgetting the e-mails (how would we survive without it!!) I think our Inbox's have never been so active. Anyway, this season we have had more registrations than any previous year (must be the World Cup fever).

The registrations for this year have been: -

220 Ladies (more Ladies are registered in the mixed groups)  
1049 in the U6 to U18, AL's & O35's groups.

Which led us to field:

16 - Ladies Teams

7 - AL Teams

3 - O35

22 - U10 to U18

62 - U6 to U9

A Total of **110 Teams**

Just remember we are all volunteers and we work very hard to get everything right and on time. We don't always succeed, but we always aim for our best and I don't think anybody could ask for any more.

### Seaforth U6 Seals v Crows

What an exciting game the Seals had this week. William was a strong goal keeper keeping many goals at bay. The Crows only scored 2 goals in the first half. Benjamin Campbell scored an awesome goal for the seals in the first half. Well done.

The second half saw the Crows score 3 more goals with Matthew in goal and getting many other out. Nicholas Campbell showed some powerful kicking and had an great game.

While Ben V, Nick V, Liam, Todd, Philip all did their best and showing some great skills. Nick V grab the ball today and did some great kicks, go for it Nick. The Seals never seem to know who has won and even care - what a spirit!

Another fun game. Players of the match went to William, Ben C and Nick C.

### Seaforth Ladies U12 Devils v Mosman

Seaforth 4 Mosman 0

A well deserved win for the Devils. Neither of our goalies (Adri 1st half & Jaime 2nd half) got much of a feel of the ball this week with all of the play being at the other end of the field.

1st half saw Kahlia, Gia & Jaime as a winning strike force with all 3 of them either scoring or setting up goals. Mids for 1st half Sally, Danika, Olivia and Helena ran like the wind, playing both halves in their positions and Gemma, Caterina and Mel defending when needed. 2nd half saw the strikers change around, Chantel, Adri and new to the team Emma got in there, Carly played defence, Olivia moved up and we got another one. The Mosman team were playing an offside game dropping defenders back as soon as we moved forward, this created a few problems, but gives us something to think about.

Well done girls, thankyou to the very supportive parents, and to Jon for all his help today.

Last weeks player of the match was Kahlia, this week Gia, congratulations.

## 2006 LADIES SOCCER NEWS “FROM THE POWDER ROOM”

*Welcome to all Seaforth players and supporters. This is my first opportunity to go to print after a very disruptive start to the season. The MWFA were, as always, consistent in the timing and impact of their decisions. Maximum impact and little acknowledgement of the impact on the poor players affected by the decisions.*

Despite this, Seaforth have 16 Ladies teams this year and the popularity of Ladies Soccer is increasing by 15% each year. We have created a monster for parents as the girls LOVE their soccer so much, or is it the chatter that goes on at training? It's not uncommon for players to try and sub for other teams so that they get 2 or 3 games on the weekend.

A special thank to Coaches and Managers who have coped with the changes and kept Parents and Players motivated. A reminder to all players that it is YOUR responsibility to ensure your Coach is aware of absences from Training or Games. You let your team and the Club down by not informing anyone in time to arrange a replacement.

Another sore point is Players not getting to training and matches on time. Coaches give up a tremendous amount of time. Players should understand this and ensure you show support. Managers are also going to a lot of trouble to ensure your games are trouble free, so next time you see them, make sure you thank them for their efforts. Get to games  $\frac{1}{2}$  hour before kick-off.

**WET WEATHER:-** The seasons are getting weirder, or is it just me and old age? Please ensure you check the weather line for training and match confirmation. Managers are unable to notify everyone and it is the PLAYER'S RESPONSIBILITY to check for training and game times each week. For Manly, phone weather line 9976 1699 and observe the instructions.

## TEAM NEWS

**U10 Champs, Starlets & Devils:-** these teams are Winners. Sweeping all before them and ensuring Seaforth "gene pool" is as strong as ever.

The **U12/1** are doing it tough. After last week's loss to the top team, 1 - Nil, I saw a team that was unlucky to lose but also capable of some good results with a bit of luck. Keep up the spirit and results will turn around.

The **U12/2 A & B** teams are 2<sup>nd</sup> & 4<sup>th</sup>. Both teams are talented and will be great to see them both in the Finals.

**U12/3's** are 2<sup>nd</sup> and super-coach, Digby, is as chuffed as any of the parents. Murray O is ecstatic.

**U12/4's** coached by Stix (who also coaches 2 other teams) are running 1<sup>st</sup> and look the goods for a Grand Final appearance. A very well drilled and exciting outfit.

Our **U14/1** "All Stars" are starting to hit their straps. Some HUUUGE results see them in Top spot and maybe on the road to C of C's, provided not too many 8:30games !!

The **U14/1B's** are just the best team. Happy and talented, they are struggling in Div 1 but are anything but losers. Every game is so good to watch as they play their hearts out, seeking that elusive win. Keep it up girls, you are a credit to Seaforth FC.

**U14/2's** have blossomed under the tutelage of Ian & Fred. Results see them move up to 3<sup>rd</sup> spot.

Our **U16/2's** with Maurice at the helm are looking dangerous. With a combination of good players, triers and team players, Maurice has melded a lovely, competitive group of players.

The **U16/3's** are giving me heartburn. Far better than their results to date, a poor attendance at training and some games has cost them heaps. Let's hope everyone is on board now and ready to play out the season.

Our **U18's** are struggling to match the top teams but are well in the race for honours when the comp. is split in June. Charlie, Mark and Keith make up a great Coaching/Management team. The girls are great and it is just a matter of belief and they will shock any team above them.

The **Open 4's** have crept up to 1<sup>st</sup> after some great goal-a-thons in their last 2 matches. Blessed with talent, the lure of late nights, free booze and partying means they can run hot & cold. Thank God we have Stix coaching and keeping them focussed.

Finally, our **Open 2** team are running 4<sup>th</sup>, but are capable of more. Some close results haven't helped, however this is a very skilled team and will be there when the Final's whistles blow at Cromer in August.

Don't forget your canteen duties and look forward to catching up with you all at the various games.

Cheers
