FREQUENTLY ASKED QUESTIONS FOR NEW PLAYERS / PARENTS OF SUB-JUNIORS (Under 6, 7 and 8)

Q: WHAT DO WE NEED TO SUPPLY ?

A: Shin Pads and plain black shorts are compulsory (both are for sale on registration days). Football boots with moulded studs only (no steel or screw-in studs). Seaforth FC supply socks (to keep) and shirts.

Q: SO WE HAVE REGISTERED OUR CHILD, WHAT HAPPENS NEXT ?

A: The players will be allocated into teams by the Sub-Junior Co-ordinator, Kym Weekes – email sfcjuniors@optusnet.com.au or Ph: 9949 3116. This will take approx. 3-4 weeks from the final registration day (12th February 2005). Allocations are generally based on: a) who the child would like / has nominated to play with, b) the school they attend or c) the area they live in.

Q: WHO WILL LET ME KNOW WHICH TEAM MY CHILD IS IN ?

A: If no parents in the team have volunteered to be a manager or coach, Kym will initially appoint one parent as the contact. This person may or may not become the manager or coach. A team contact list will be faxed or e-mailed to this person, who will then contact the other parents, advising them of the team name, players etc. A team list (with the names only) will be posted on the Seaforth FC website (www.seaforthsoccer.com) We suggest arrangements are made to have a quick get together at a local park or oval etc. where the coach and manager can be appointed by the team.

Q: WHEN WILL TRAINING BE ?

A: This is up to the coach to decide the training day and time. Please note the only approved training fields for Seaforth FC are: Seaforth oval, Condoval reserve, Manly West oval, Tania Park & Balgowlah Nth Public School (top oval). NB: Currently only Seaforth oval has lights.

Q: WHEN IS THE FIRST AND LAST GAME ?

A: The first game is Saturday 2 April 2005 and the last game will be Saturday 20 August 2005, followed by the Seaforth Gala Day on Sunday 28 August 2005.

Q: WHERE DO WE PLAY ?

A: Seaforth Oval has 3 mini fields and Condoval reserve has 2, both of which are “home” grounds for Seaforth FC – please check your draw for full details.
The Manly Warringah Football Association (MWFA) extends from Avalon in the north, Mosman in the south and Forestville/Killarney/Terry Hills in the west.
The manager will be provided with a list of ground locations.

Q: DO THEY PLAY IN SCHOOL HOLIDAYS ?

A: Only on the first weekend following the end of the terms. The middle and last weekends do not have any games scheduled (ie: 16 & 23 April and 9 & 16 July)

Q: WHAT TIME DO THEY PLAY ?

A: Generally the U6's play at 8.30am or 9.15am, with the U7's mid-morning (ie: 10.00am / 10.45am) followed by the U8's mid to late morning with the last game kick off at 12.15pm.

Q: DO THEY PLAY IN THE RAIN?

A: Yes, all games are considered ON unless notified to the contrary. Games are generally only called off when the grounds are too wet for safe play (2-3 days of heavy rain prior to the weekend). The Managers Manual has additional information on this matter.

Q: WHAT IS EXPECTED FROM US BY THE SEAFORTH FC ?

A: Apart from supporting your child from the sidelines and enjoying watching them playing the world game, there are a couple of duties during the year that the club seeks your support in. The manager will be issued with a duty roster that may require your team to either put up the nets &/or take them down &/or man the canteen or the BBQ at Seaforth oval on a Saturday morning.

The club will also hold various fundraising activities during the year (ie dinner dance, raffles etc) and your support of these activities is strongly encouraged & appreciated.

Communication is the key to a smooth running and successful club and we therefore recommend that you register with the new Online Info Service via the club's website at; www.seaforthsoccer.com as well as reading the weekly newsletter which your manager should pick up from Seaforth oval on Saturday mornings.

Q: WHAT IF I HAVE ANOTHER QUESTION ?

A: If you have not heard from anyone by the 5th March regarding team allocation please contact Kym Weekes for details.

Once the team has allocated a manager, ALL questions should be referred to the manager in the first instance, as the Managers Manual addresses many other issues.
If the manager can not answer the question, then the *manager* should contact the appropriate person within the club.
