## A MESSAGE FROM OUR PRESIDENT

We begin this newsletter with the fantastic news that ex Seaforth junior Leigh Egger has been selected to play for New South Wales U13 Squad. Leigh is the son of our very popular Coaching Director Sharon Egger. Leigh has played all his Junior Football at Seaforth. He is a very hard working and dedicated player, and has put a great deal of time and dedication into being able to reach the level that he has. This achievement is even greater considering the number of players that he has managed to overcome in the Selection Trials. And to Leigh's parents Sharon and Gary, you must be very proud of your son's achievements. I want to, on behalf of all everybody associated with the Club, wish Leigh all the very best in his future playing career

Since our last newsletter the Club has conducted a Coerver Camp at Seaforth Oval . The camp attracted close to 100 players and, from feedback from Director Oscar Gonzalles and Sharon Egger, the camp was a Huge success and the players had a great time mixing skill sessions with fun. The club thanks Sharon for setting the camp up in conjunction with Coerver, and we will be holding future camps in the school holidays.

Also, once again we have again had a very successful Coach the Coaches night conducted by Oscar Gonzalles and our Coaching Director Sharon Egger. We had a record attendance of 30 Coaches and it was great to see some of our Junior Coaches Angus Gardner, Greg Macken attending the course. The participants have also gone part of the way to completing their Junior License.

With this year's bulk registrations over and only a few stragglers still to register, the Club has set a new record of 1247 players. This has been a great achievement for the Club and shows that we are still drawing new players to the game and also players returning to the Club. The only person who probably doesn't think it is great is our Gear Steward Naomi Tamakiuni who, in her first year, has probably wondered where everybody has come from! Naomi has done a marvellous job considering the increase in numbers and the delay we have had getting enough new socks and shirts to keep everybody happy.

The new AL1s + Reserves are going quite well at this stage with the reserves Unbeaten and the First team having lost 1, Drawn 2 and Won 1. Everything is going well. This week sees a Double Header Playing Manly Allambie at Millers on Saturday and backing up on Sunday against Wakehurst at Seaforth Res. 1.00 Firsts 3.00pm. Both games should be beauties.

Our Promotions officer Cathy Debleare informs me that arrangements for this year's Dinner Dance are well underway and that we will be announcing Date, Venue, Band, Costs, etc within the next week. So get ready to purchase those tickets to avoid missing out. Keep your eyes on the website for further details.

Best of Luck to ALL teams

Richard Wright

### CONGRATULATIONS LEIGH!!

One of our most well liked and talented Juniors, Leigh Egger, has been selected to play for the **New South Wales State Squad**. This is a wonderful achievement by Leigh considering the amount of players that would have been in contention. To make a squad of this nature takes a lot of skill and dedication and Leigh has all of these. All those extra weekend Training sessions have now paid dividends. I'm sure that you will all join with me to wish him the very best in his future career. And I bet he has one proud Mum! -

## Great Competition for Junior Footballers

Soccer NSW has agreed to send the following message on behalf of MasterCard.

"We've sent you this email to help spread the word about a great MasterCard competition exclusively for junior footballers.

As a proud supporter of football, MasterCard would like to give back to the sport at a local level and help young players be the best footballers they can be.

That's why they're giving your club's junior players the chance to WIN tickets to the 2006 FIFA World Cup Quarter Final.™ Plus runners up can also win one of ten team training kits for their entire team.

It's easy to enter. Just go to [www.teammate.net.au](http://www.teammate.net.au) for full details.

If you think this email would be better suited to someone else in your football club, please forward it on to make sure your club's junior players find out about this great competition.

Thanks for your support."

## MEDIA RELEASE 3 May 2006

Shoot goals - shoot movies! International Football Film Festival  
Chauvel Cinema (Oatley/Oxford St, Paddington)  
19 - 21 May 2006

For the first time since 1974 Australia will take part in the Football World Cup Finals in Germany. This is reason enough for the Goethe-Institut Sydney to stage the first ever International Football Film Festival "Shoot Goals – Shoot Movies" (Sydney, Chauvel Cinema, 19 - 21 May).

If you thought the world's favourite game was just about 11 men (or women) chasing a ball – think again: The drama unfolds on the lawn and behind the scenes!

The Dutch opening film "The Other Final" (2003) takes viewers to a play-off between the teams of Bhutan and the Caribbean island of Montserrat. Both teams take up the bottom places in the FIFA team rankings, but the passion there is as heated as it is at the official final of the 2002 World Cup taking place at the very same time.

"Liberated Zone" (Germany 2002) explores the role of football in a small town community and shows that football has the potential to overcome racial prejudice. "Fever Pitch" (UK 1999, presented by the British Council) is a romantic comedy about the love affair between a man, a woman and a football team, based on Nick Hornsby's autobiographical novel. "Depth of Field" (Germany 2004) equally explores the complicated relationship between the myth-like passion for the team and its players and love in real life. "Le Ballon d'Or" (Guinea 1993) and "Fimpen" (Sweden 1973) are fascinating stories about the liberating force of football in the lives of two young boys.

"Boleiros" (Brazil 1998) and "Peladão" (Germany 2005) take the audience to the home of the World Cup favourite: Meet old football stars revelling in their glorious past and beauty queens in the jungle outback providing the perfect backdrop to the world's largest – but still widely unknown – football tournament in the Brazilian city of Manaus.

A short film compilation rendering the title to the entire Festival "Shoot goals - Shoot Movies" was commissioned by the Talent Campus of the Berlin International Film Festival: Here young film makers from 28 countries take a very light-hearted approach to football. Also in the program: Football short films produced by the Australian Film Television and Radio School for SBS Television.

The Football Film Festival is part of a comprehensive season of football related events organised by the Goethe-Institut Sydney in preparation for the 2006 FIFA World Cup.

The Festival will be opened by Les Murray, head of SBS sports on May 19 at 6:00 pm.

Tickets are available from 4 May via [www.mca-tix.com](http://www.mca-tix.com) or 1 300 306 776.
