Notice of the club's Annual General Meeting (AGM) to be held at 7.00 pm on Tuesday, 17th November 2020 at Seaforth Oval Clubhouse, Wakehurst Parkway, Seaforth.

To All Members

The Annual General Meeting of Seaforth FC will be held on Tuesday, 17th November 2020 at 7.00pm at the Seaforth Oval Clubhouse.

Nomination forms for positions on the club's Management Group and General Committee are available on the club website. Under the constitution, completed nomination forms must be received by 13th October 2020.

Items of Other Business that members wish to raise, must be put in writing to the Club Secretary a minimum of 7 days prior to the meeting.

Agenda for the 2020 Annual General Meeting:

1. Apologies
2. Acceptance of minutes of the 2019 A.G.M.
3. Presentation and adoption of the 2020 Annual Report, including audited financials
4. Motions for Changes to Club Constitution.
5. Election of Office Bearers
 - I. Management Group
 - II. General Committee
6. Election of Life Members
7. Thanks to retiring Committee members
8. Other Business
9. Meeting Close

Two of the hundreds of fabulous volunteers who come along to help set up our fields throughout the season every Saturday and Sunday morning

Annual Report

2020

What a remarkable year! We must start our 2020 annual report by thanking all our members and your families for your patience, resilience and support for the club in such a difficult year. After an extremely uncertain start, together with an enormous effort on the part of our club's committee and sporting bodies like our MWFA local association and FNSW, and with great support too from the Northern Beaches Council, we've all been able to enjoy a (socially distant) season which in the end, almost felt normal. Fortunately, our numbers stayed as high as usual with 1535 players, 117 teams, 250 coaches and managers and our committee of 30 people.

On the field our results were much improved from last year. This year 6 teams, including our Women's Premier League Reserves, won their league and 12 teams made it into grand finals. As usual the young stars of the future made themselves known – well done Tara Hollyoak (U13s) and Cameron Dennison and Will Cannon (U14s).

Every year too we're humbled by the dedication and efforts of all our volunteer coaches who are such a critical part of our club. I know everyone in the club values and appreciates what you do. What's particularly encouraging is the ever-increasing number of youth players who now coach our junior players and we have work underway to create a more structured pathway to encourage even more of these young coaches to become involved in the club.

The operational challenges of dealing with COVID-19 didn't slow down our desire to evolve and improve the football development opportunities we provide and how the club is run. We established the partnership with Sydney FC to deliver a hugely popular Skill Development Program and we also successfully piloted our Academy Teams concept with our Girls U12/1s and Boys U12/1s and U14/1s. We'll be expanding this program next year and communicating more about it in early 2021 but eventually we hope our commitment to developing high quality players will become a major drawcard for the club. It's the vanguard of many new services we hope to provide for all players at all levels in the club. Our Coach Development Team was constantly adapting to the restrictive environment and still managed to

Club President Steve Harding

facilitate workshops for our coaches and provide support where it was needed.

The Back Office of the club hasn't sat still either. We're much better organised in the way our gear is managed and our fabulous new Club Shop has just been launched (more about that below). Our committee members put in a herculean effort to run the club. We have such a great club thanks to them. The work to attract sponsors is another one of those major unseen activities that requires constant effort, particularly so in this year of a global pandemic. Our sincere appreciation for their continued support must go to our major sponsor LJ Hooker, Seaforth, other sponsors such as Staple Bakery, Seaforth and all our other sponsors.

Our Community

The social distancing rules that were there to protect us of course also meant that we couldn't put on all the workshops, forums and events that we hold which usually help foster our club community spirit. But I think it's fair to say that the pandemic has highlighted positive "club community" traits in our players, coaches and supporters, not the least of which is your commitment to your teams and the club and your perseverance and flexibility to work through the challenges – pre-season training was not easy for anyone .. and while Zoom meetings get the job done, they aren't the same as face to face time!

Due to the restrictions with handing out trophies due to social distancing, we decided to spend much less on those this year and, given the difficult circumstances many people in Australia were in, instead make a significant donation to mental health charity Beyond Blue on behalf of all members. We consulted with a wide range of our members before we did this and received nothing but full support for the proposal. I hope that you all share that view.

Once again Seaforth FC was a solid supporter of the Purple Socks for Pancreatic Cancer campaign run by the Avner Pancreatic Cancer Foundation. Well done to everyone who was part of that.

Local MP Zali Steggall (and long-time Seaforth FC member) with some of our fine young Purple Socks ambassadors

2021

In 2021 we're going to continue our focus on expanding development services and support for our players and coaches. As I mentioned earlier, we're expanding our Academy Teams pilot and plan to establish a much more comprehensive Academy set up aiming to deliver long term results for the club. We're also very pleased to announce that in 2021 our Women's Premier League assistant coach Tess McGrath is taking on the role of Manager, Women's Football. The intention of the role is to be a champion for Women's football at the club.

To make the club financially more profitable, which in turn enables us to deliver you more and better services, we're hoping to improve our income streams – that means we'll be putting more energy into finding sponsors and also exploring other opportunities to gain revenue.

Our very first initiative in this space is to launch our online club shop to showcase all of the excellent merchandise we have to our loyal supporters. The new shop will be accessed via our club website.

.. and we're going Retro! We've created some T-shirts that feature club logos from our origins back in 1963. It looks great. We hope that it's popular with our members.

We haven't given up on our goal to have synthetic pitches installed at Seaforth Oval and will continue to quietly engage with Northern Beaches Council and other stakeholders. All's quiet for now with the proposed Northern Beaches Tunnel but that will probably change soon. We're waiting for the next announcement from NSW government. To repeat our position, we're not against the tunnel; we just don't want the major construction site to be in our lower car park.

Farewell to departing committee members Richard Brock and Nic Chamberlain. Sincere thanks for all your efforts over the past few years. We hope to still see you around the grounds. I wish all our members, their families and our supporters a safe and enjoyable offseason and Christmas and New Year and I look forward to seeing you back at the club for an exciting 2021 season.

Treasurer's Report

Results for 2020

The Club had a 30 September 2020 result of a \$38,921 accounting profit (accounting loss of \$26,637 in 2019). Whilst making a profit isn't the purpose of the club this has been without doubt an unusual year for the club and additional circumstances related to COVID 19 have contributed to this result. As a response to the pandemic, both the MWFA and Northern Beaches Council have reduced their normal charges by circa \$40k and \$15k respectively and if we added both costs back there would be losses felt by the club.

The overall revenue of the club was significantly down on 2019 with the decision being made early not to operate the BBQ, and to manage from only the canteen. The canteen could perform slightly better financially but we choose to commit to local suppliers as we believe that improves the quality of what we offer and is in keeping with our community aims.

COVID also meant that we were unable to operate the bar and run various community events in 2020. The other area that was down for this year was sponsorship, despite Nic Chamberlain's tireless efforts, this remains a large challenge for the club and without it we will need to reduce costs further to remain a sustainable club into the future. The club has appointed a Sponsor and Marketing Manager to help with this endeavour in 2021.

Our registration revenues were up from 2019, with the number of playing members up from last season and when coupled with a small fee increase this enabled us to be comfortable with our base revenues to budget for a sizeable equipment purchases for teams overall and to continue to support the development of our SFC academy. Fee increases are not something that we take lightly, and we looked to distribute that into noticeable gear improvements for the club - and we will continue to do so. We constantly monitor our fees against other football clubs to ensure that we provide competitive value and given the support from the MWFA this year we will be keeping fees flat in 2021 to distribute back to members.

The Academy ran at a small loss in 2020 but is something that everyone on the Committee hopes will go from strength to strength, and will be a preferable avenue to meet our goals of improving the technique and skills training of our players and to aid in their progression within the club and the game.

Variances from Prior Years

As noted above, the MWFA and Northern Beaches Council both reduced their standard fee charges for registration, and clubhouse rent and lighting to support all sporting clubs throughout the beaches. It was a terrific gesture from both bodies and my thanks to them.

We have continued to expand our development costs for coaching, training and information nights as we look to help provide the tools for members to understand and enjoy their football. The club partnered with

Sydney FC to continue to enable development across a spectrum of our players and we will continue this partnership in 2021.

We have negotiated better terms with our shirt provider and been able to pay a large deposit for our 2021 shirts with the reduced MWFA expenses. Suppliers for kit expect to receive 50% of fees to secure orders and this must come from prior year revenues. We are now in a position to manage this cash flow going forwards.

Given the circumstances, and the difficulties with handing out trophies due to social distancing, the club made the decision to reduce the production of trophies in 2020 but to continue with perpetual trophies. Given the unusual year it has been and the hardships many people have faced the club instead made a sizeable donation to Beyond Blue – a wonderful charity that helps with mental health in the community.

Financial Position

The club continues to remain in a very good financial position with a strong cash position. The cash reserves of the club are held within a term deposit and are reserved against what we expect to be substantial requests from local Council for contributions towards capital works that the club will benefit from; there are significant amounts being contemplated for lighting at Tania Park, lighting upgrades at Quirk Road and the hopefully the development of synthetic pitches at Seaforth Oval. We continue to look at ways that the cash in reserve can be utilised for the benefit of a variety of activities that benefit the members of the club – there is the opportunity to raise our efforts in the areas of community engagement and football development throughout the age groups and funds will be used for this in 2021.

I wanted to thank everyone on the Committee for their assistance and efforts in 2020 in achieving this result despite the very challenging times – there were many tireless efforts going on that don't always get seen or recognised and my thanks go out to each one of them for their time and passion for the Club.

I wish everyone a restful and happy Christmas holidays and look forward to seeing you for the 2021 season.

Paul Thompson
Treasurer
Seaforth F.C.

SEAFORTH FOOTBALL CLUB INCORPORATED

Independent Audit Report to the Members

22 October 2020

Scope:

I have audited the attached balance sheet and profit and loss statement (on an accruals basis), being special purpose financial reports of Seaforth Football Club Incorporated ("SFC") for the year ended 30 September 2020.

The procedure for the audit included examination, on test basis, of evidence supporting the amounts disclosed in the workpapers provided.

Committee's responsibility for the financial report:

The committee of SFC is responsible for the preparation of the financial report, and has determined that the basis of preparation undertaken by the Treasurer, is appropriate to meet the requirements of the SFC Constitution (adopted on 31 May 2004).

Audit Opinion:

In my opinion, the balance sheet and profit and loss statement of SFC for 30 September 2020 is prepared in accordance with the relevant Australian Accounting Standards.
