

Hi everyone

Well a bit of time has passed since the end of the regular season but, as usual, a lot has been happening. We hope everyone had an enjoyable and successful time in 2022 and we wish you all a happy New Year. We're getting ready for 2023 - it's going to be a big year! Here's what's been going on ..

Our all-conquering Womens Premier League Team

Our Womens Premier League team have ensured that they will be remembered as one of the greatest teams in our club's history. To top off an amazing year, on 23rd of October they won the All Age Women's Final of the FNSW Champion of Champions tournament in a bruising match against Coogee United. After being level at 90 minutes the match went almost to the end of the

second period of extra time when we finally scored the Golden Goal for a thrilling end to the final.

This was in addition to an incredible list of other achievements in 2022 by our WPL squad when they brought home trophies for winning the MWFA Challenge Cup, the MWFA league (first division and reserve division), the MWFA knockout final (first division and reserve division) and the MWFA/NSFA Challenge Cup .. plus their individual MWFA honours for Coach of the Year, WPL Player of the Year, WPL Rookie of the Year and the WPL Golden Boot award. Astonishing!

They were without a doubt the best women's community club team and squad in NSW and they did it all playing beautiful football.

Congratulations to the whole squad and coaching staff. We can't tell you how proud we are of you all.

Congratulations to all our 2022 season winners

Congratulations to the following teams for their success in 2022 ..

Our **Womens 13/3As** - they won the major championship in their league and also their minor championship knockout final.

The **Mixed/Boys U21/1, U16/1, U14/2 and U12/4B** teams all won the major championship in their league.

The **Womens 15/1s** played magnificently to win their minor championship knockout final.

Our **16/1s** also won the MWFA's award for the highest goal average across all under 12 to under 16 division one teams in the MWFA.

.. and of course, our **Women's Premier League first and reserve** teams for all those successes outlined above.

Delays to our annual awards and AGM

As you've probably figured out already, the announcement of our annual awards and also the AGM (and this newsletter) unfortunately have been significantly delayed. This has been because our club secretary Alan, who drives these things, has been unwell for a while. Al's better now so watch out for some announcements very soon about both of these important matters.

Seaforth FC turns 60 in 2023

2023 marks our 60th anniversary since we were founded back in 1963. We have some fabulous events planned to celebrate this wonderful milestone.

Development News

As part of our Football Revolution development program our Monday Night Football (skills) training returns in February with Gerry Gomez and his coaching team delivering a preseason program focusing on core skills under the FNSW framework. Our program is expanding in 2023 and will be open to all our players between u6- u16 and will be an ideal opportunity to sharpen those skills ahead of preseason trials for our competition age groups. Look out for our registration announcement early in the new year. Read more about our program [HERE](#).

Join the team! Volunteer for our committee in 2023

We always need new volunteers to help us run this great club. If you would like to help out there's a few jobs to choose from. In 2023 here are some of the roles that we're trying to fill asap.

Team Duties Coordinator

We need someone for the behind-the-scenes job of organising teams for BBQ and field set up duty. It's a well defined process that takes about an hour each week. Can you help?

Development Administrator

We desperately need someone to help our VP, Development administer all of our development programs.

If you're interested in finding out more please contact our VP, Development Ant Depree at vp-development@seaforthfc.com.

Event Organisers

We'd love to run many more events in our clubhouse and elsewhere for all of our age groups. Things like a fun dinner for our W8s, a movie night for some of our teenage members, or a card night for our seniors. If you're happy to help organise small events for your age group please be in touch with our Manager, Club Community Sarah Sauer on clubcommunity@seaforthfc.com.

Great news from our sponsors

We are delighted to announce that our premier sponsor, Clarke & Humel (clarkeandhumel.com.au) will continue as jersey sponsor for 2023 and we thank them for their support and commitment to the Club.

Balgowlah Physiotherapy (balgowlahphysiotherapy.com.au) has also re-committed to the Club for 2023 and we are grateful for their backing.

There are a number of sponsorship areas that remain available so if you know of anyone who is looking to promote their brand to our community, please ask them to email sponsorship@seaforthfc.com.

Registration & grading for 2023

Registrations will open on January 15th. Find out more [HERE](#). *Please note that 2023 fees haven't yet been set.* If you have any questions please contact your age coordinator - details [HERE](#).

Grading for our junior and youth players will be done on Sunday 5th and Sunday 12th of February at Seaforth Oval. Find out more [HERE](#). *Please note that the schedule has not yet been finalised.*
