2022 ANNUAL REPORT

Our WPL Reserve team with their league winner's trophy

President's Report Steve Harding

Another Challenging Year ...

Disruption again played a major part in the 2022 season, with a horrendous period of wet weather affecting training and games throughout the season. Coupled with teams continuing to be challenged by COVID, it was a frustrating season for many, particularly our younger teams where games don't get rescheduled by the MWFA.

A Hugely Successful Year on the Football Field ...

On the positive side, the season was an outstanding success and the best season for competition winning teams. At the pinnacle was obviously our Women's Premier League team who won all four tournaments – the MWFA Challenge Cup, the WPL League, the Grand Final playoffs and to cap it all, the WPLs became the State Champions in mid-October by winning the WPL Champions of Champions. The WPLs became the most successful women's team in our club's history. Congratulations to Head Coach Chris Wood and the team on this outstanding achievement. They were ably backed up by the Reserve team who also won their league.

As well as success in the U21-1 league, the club also saw a broad spectrum of success in the younger teams, when the U16-1, U14-2 and U12-4B teams also became league champions. Grand Final playoff successes for W15-1 and W13-3A capped a truly fantastic year for the club. Well done to all coaches and managers of these teams – an outstanding set of achievements.

Club Spirit Continues to Grow

It was particularly pleasing to see an ever-increasing club spirit – teams actively sought to help others when they were short of player for a game, often playing two games back-to-back to ensure games could proceed. The canteen and BBQ went from strength to strength under the supervision of our Canteen Manager, Pauline, not only serving the best bacon & egg and sausage rolls but bringing together the many parent helpers who all enjoyed supporting the club and bringing us great club community spirit – a big thank you from me to all our parent volunteers undertaking team BBQ duties!

Increasing Support from our Sponsors

The club was very pleased to be supported by our new club sponsor Clarke & Humel and the continuing support of LJ Hooker, Staple Bakery, Balgowlah Physiotherapist, Betts Butcher and several team-based sponsors. Thank you to all for your support of this fantastic community football club and particular thanks to our Sponsorship Manager, Graham Whitehead for all his work involved in securing these valuable contributors to the club.

The Football Revolution Program

Despite the long grass and the persistent rain, we launched, in March, the Seaforth Football Revolution Skills Development Program under the stewardship of our Technical Director and ex-Socceroo, Gerry Gomez. We had tremendous attendance from our U8-U16 age groups, with 60 kids joining in our inaugural pre-season program and pushing close to 100 players in Term 2 & 3. A great effort from Gerry and our VP Development, Ant Depree.

The Football Revolution is the first piece in our plan to provide more development opportunities for all those players that want to advance their playing skills and play to the highest level of their ability. It also helps us create a development roadmap and pipeline for those players who aspire to representing Seaforth at a premierships level. I really believe we have a create opportunity to evolve and enhance our club playing standards whilst ensuring that all our children enjoy an active participation with their team friends.

Our Club Volunteers

And a final call out and thank you to all our Club Committee members who provided endless support on all aspects of the club operations – without their dedication and hours of effort the 120 teams would not be able to function – I cannot thank you enough for the support you provide to the club and to myself. Thank you! Nice too that our long-standing club secretary Al Glixman was recognised by the MWFA for 19 years of service to the club, 15 years on the committee.

Al Glixman with MWFA President Dave Mason

Secretary's Report Al Glixman

This year I began organising the club's document archives and reading through many of the old annual reports reinforced to me how important these reports are to record and showcase the history of life at the club. There's some amazing stories there. Also, there's 60 years worth of images out there somewhere too amongst our members old photo albums so in 2023 we'd like to start getting better organised with how we gather and store the tidal wave of images we now have available each year.

In other news the state government's commitment to building the harbour link tunnel seems to have fallen right off. That's good news for us as we no longer have to engage with government and plan for the disruption that would have occurred.

Farewells

Farewell to departing committee members Gary Giles, Brendan Jack and Marie Watson. A past winner of Coach of the Year and also Club Person of the Year awards, Gary Giles (in photo) has been quietly moving mountains for many years at Seaforth FC. He has been instrumental in building up our services for coaches and has put his heart into all the teams that he's coached and into absolutely everything he's done for the club over the last 15 years. Thanks Gary – your enthusiasm and wisdom will be sorely missed. Brendan Jack (his grandfather David Jack was one of the greatest ever Arsenal players) has been an age coordinator for many years. A big thank you to you Brendan for all your efforts over the years. Thanks also to Marie Watson who helped manage our team kit for the last couple of years.

Vale

Sadly during the year our former committee member Chelle Cole (pictured on the left, with her partner former committee member Kym Weekes), lost her battle with cancer. We shall all miss you Chelle.

Our Community

This year saw us once again participating in Purple Socks Day in support of Pancreatic cancer research and supporting local groups such as the Mongrels Men who meet weekly to play and discuss men's health issues. After 3 interrupted years hopefully 2023 will see us do much more in this space.

I wish all our members, their families, and our supporters a safe and enjoyable offseason and Christmas and New Year and I look forward to seeing you back at the club for an exciting and hopefully COVID-free 2022 season.

Results for 2022

The Club had a 30 September 2022 result of a \$33,014 accounting profit (accounting profit of \$24,452 in 2021). Whilst making a profit isn't the purpose of the club this has been without doubt another unusual year for the club and the circumstances related to COVID 19 and late invoicing from council have contributed to this result.

The club was able to have a reasonably normal season in 2022 barring the constant deluge of rain that Sydney weathered! The MWFA returned a portion of funds in 2022 to members in the form of reduced registration fees - as part of the impact of COVID on prior seasons, and Seaforth also deducted from its fees to give members an equitable outcome across disrupted seasons. As always, anything the club makes is then re-invested back into gear, player development and the overall costs of running a club. The continued challenges of attracting volunteers to vital club roles means we will need to explore new ways of attracting people through financial payments in 2023.

The overall revenue of the club was down on 2021 because of the MWFA returning registration fees and Seaforth following suit. Added to this we saw a decline in member numbers from 1,658 to 1,590 members. This remains below Pre COVID times, but we hope that the noticeable improvements being made to the club with club merchandise, the canteen, gear provided for training and matches, Academy developments and overall facilities means we keep, if not expand upon, our membership. The club remains one of the largest clubs on the Northern Beaches and has expenses that reflect that and unlike some clubs don't have the supplemental income created by synthetic pitches. Fee increases are not something that we take lightly, and we retained our fees at the same levels as pre 2021 (before the return of registration fees), our intention is to keep them flat compared to Pre COVID times into 2023. We don't take our membership for granted and constantly monitor our fees against other football clubs to ensure that we provide competitive value.

A pleasing outcome for the year was the increase in sponsorship back up towards pre-COVID levels. The terrific efforts of Graham Whitehead and the support of our terrific sponsors has seen an increase in revenue from this area in exchange for fantastic exposure for our local partners. Without a supplementary income, that other clubs have, then the continued support of our sponsors remains important for the club's growth.

The Football Revolution expenses continued to increase in 2022 as we expand the concept to more teams throughout the club. The concept, under the watchful eye of Ant Depree, has expanded into 12's, 13's and 14's for both boys and girls. This is something that everyone on the Committee hopes will go from strength to strength and will be a preferable avenue to meet our goals of improving the technique and skills training of our players and to aid in their progression within the club and the game. The intention is that by developing a pipeline of talented players we see these benefits in later years in our older age groups and hopefully our premier League team.

Variances from Prior Years

We have continued to expand our development costs for coaching, ensuring that all coaches were paid for the full season despite its shortening, and training and information nights as we look to help provide the tools for members to understand and enjoy their football.

Certain costs for lighting and player costs did not make the cut off for our year end and we will see these costs form part of 2023, but for 2022 they cause a variance versus prior years. We have taken the opportunity to order shirts for 2023 well in advance to try and reduce the logistical rush before the season starts.

The club continues to expand its ideas of sustainability as we continue to hand out only club annual trophies. In addition, the club has increased its efforts to reduce the number of shirts being purchased - with over 400 members not taking up a new shirt and reusing the one from last season, via a member's discount for shirt renewal. We continue to believe that these initiatives are aligned with our members and offer the opportunity to manage our footprint. We have used any cost savings on trophies with a charitable donation to Beyond Blue – a wonderful charity that helps with mental health in the community.

Financial Position

The club continues to remain in a very good financial position with a strong cash position. The cash reserves of the club are held within a term deposit and are reserved against what we expect to be substantial requests from local Council for contributions towards capital works that the club will benefit from; there are significant amounts being contemplated for lighting at Tania Park, lighting upgrades at Quirk Road and the hopefully the development of synthetic pitches at Seaforth Oval. We continue to look at ways that the cash in reserve can be utilised for the benefit of a variety of activities that benefit the members of the club – there is the opportunity to raise our efforts in the areas of community engagement and football development throughout the age groups and funds will be used for this in 2022.

Thanks, and almost farewell

I wanted to thank everyone on the Committee for their assistance and efforts in 2022 in getting through another tough season – there were many tireless efforts going on that don't always get seen or recognised and my thanks go out to each one of them for their time and passion for the Club.

On a personal note, this next season will not be my last as Treasurer at SFC after 7 years on the Committee and I will continue on for my sins.

I wish everyone a restful and happy Christmas holidays and look forward to seeing you for the 2023 season.

SEAFORTH FOOTBALL CLUB INCORPORATED

Independent Audit Report to the Members

21 December 2022

Scope:

I have audited the attached balance sheet and profit and loss statement (on a cash basis), being special purpose financial reports of Seaforth Football Club Incorporated ("SFC") for the year ended 30 September 2022.

The procedure for the audit included examination, on a test basis, of evidence supporting the amounts disclosed in the workpapers provided.

Committee's responsibility for the financial report:

The committee of SFC is responsible for the preparation of the financial report, and has determined that the basis of preparation undertaken by the Treasurer, is appropriate to meet the requirements of the SFC Constitution (adopted on 31 May 2004).

Audit Opinion:

In my opinion, the balance sheet and profit and loss statement of SFC for 30 September 2022 is prepared in accordance with the relevant Australian Accounting Standards.

Achievements in 2022

FNSW & MWFA Competitions

Our Womens Premier League team have ensured that they will be remembered as one of the greatest teams in our club's history. The squad had an amazing year winning 3 of the 4 MWFA titles (see below), and to top it off, on 23rd of October they won the 2022 All Age Women's Final of the FNSW Champion of Champions tournament in a bruising match against Coogee United. After being level at 90 minutes the match went almost to the end of the second period of extra time when we finally scored the Golden Goal for a thrilling end to the final.

The WPL team also won the 2022 MWFA Challenge Cup and the 2022 MWFA/NSFA Challenge Cup .. plus team players won individual MWFA honours for Coach of the Year (Chris Wood), WPL Player of the Year (Julia Murphy), WPL Rookie of the Year (Emma Hills) and the WPL Golden Boot award (Sophie Larsen).

They were without a doubt the best women's community club team and squad in NSW and they did it all playing beautiful football. Congratulations to the whole squad and coaching staff. We're incredibly proud of you all.

MWFA Major Premiership (League) Winners

Seaforth FC teams that were the Major Premiership (League) winners of their respective competitions were:

Women's Premier League Firsts
Women's Premier League Reserves
Girls W13 Division 3 Team A

Mixed / Boys U21 Division 1
Mixed / Boys U16 Division 1
Mixed / Boys U14 Division 2
Mixed / Boys U12 Division 4 Team B

Our Mixed / Boys 16/1s also won the MWFA's award for the highest goal average across all under 12 to under 16 division one teams in the MWFA.

MWFA Minor Premiership (Grand Final) Winners

Seaforth FC teams that were the Minor Premiership (Knockout) winners of their respective competitions were:

Women's Premier League Firsts
Girls W15 Division 1
Girls W13 Division 3 Team A

Seaforth FC Perpetual Awards

The announcement of our 2022 annual awards unfortunately have been significantly delayed. This has been because our club secretary Al Glixman, who drives these things, was unwell for a while. Al's better now and the 2022 awards will be announced prior to the start of the 2023 season.
